SIIS Board elects Helin president of SIIS

The Board of Southwestern Insurance Information elected Sandra Helin President of the organization at their recent meeting in Dallas.

Helin will succeed Jerry Johns who will be retiring March 1, 2012. A thirteen year veteran of SIIS, she previously served as director of public affairs for the organization. She is also Director of the Texas Action Council on Theft, a sister organization of SIIS.

She will be responsible for managing insurance industry communication initiatives in Texas and Oklahoma.

Southwestern Insurance Information Service is a 59-year - old, non-profit public information association of property and casualty insurance companies operating in Texas and Oklahoma.
